DELUXE ROLL UP 33" x 88"

Our Deluxe Roll Up is a solidly built roll-up display. It has a beautifully finished powder coated base for long term good looks.

The secret is the changeable cartridge that is housed in the underside. Simply pull out one cartridge and pop in a new one with a different graphic. Additionally, The back post has been improved, making the sign at various heights easier and faster.

The high quality soft signage, dye-sub printed, pulls up from the reservoir below, creating a high impact display.
